Hello Mr Boonham

Thank you for your further email. There is no further documentation or information relating to the NRC rental proposal. Everything Council has is available on the website. The various options and analysis of the options are within the KDC report and the preferred option is the recommendation.

Regards Linda

Hi Linda

I repeat the request contained in my email of 20 September 2019 below.

Before the decision was made by Council to proceed with the NRC rental proposal a report by staff would have been prepared for the elected members setting out the details of the proposal, the various options, the pros and cons of each option, and a preferred option.

It is a copy of that report that I am seeking. I would be obliged if you could provide me with one.

Thanks.

Clive

Hello Mr Boonham

Thank you for your request for information under the LGOIMA. Below is a link to our website with the Dargaville Civic Building report.

Regarding the lease costs, the GM Risk IT and Finance confirms these were within the Long Term Plan however they were not mentioned in detail on any particular page.

Hi Louise

I request the following information:

- A copy of the KDC report that presumably went to councillors before the resolution on the Dargaville Civic Buildings in which the Council approved the entering into a lease of office spaces from the NRC.
- That resolutions states that the delegation to the chief executive is “subject to the lease costs being within the costs budgeted in the LTP”. Please advise where those lease costs can be found in the LTP, or please advise what those budgeted lease costs are.

Thank you for your help.
