Subject: Consents in Paparoa

Hi,

There have been a number of comments in the local news lately about the record number of Building Consents issued in Kaipara .

It is possible to get figures for a geographic breakdown of where these consents are?

I'm specifically interested to know how many or what percentage are in the Paparoa/Pahi area. This information would support a finance application for a development in Paparoa.

I look forward to hearing.

Regards,

Graham Taylor
