Declaration of Evacuation Scheme

Important: This must be completed and returned with your Premises Licence Application (New and Renewal) and Special License application.

To enable the District Licensing Committee to approve your licence, your application must be accompanied by the following statement that outlines the building status in relation to having, or not having, an approved evacuation scheme filed with Fire Emergency New Zealand.

In relation to Liquor Licensing (mainly bars and clubs), the most likely criteria is that the facility is capable -through calculation in the Building Act - of holding 100 or more customers. Buildings capable of holding less than 100 people generally don't need a scheme.

If you are unsure of your occupancy numbers, consult the latest Fire Design Report for your building, the building file at Council or contact the Fire Emergency New Zealand representative listed below.

If you are a tenant in a larger building, your building may already have an approved evacuation scheme. Check with the building owner.
