What is Host Responsibility?

Host Responsibility is being responsible with the serving of alcohol at any venue, licensed premises, special occasion or special event to reduce the problems that can be caused from excessive drinking.

To follow is a set of guidelines that supports this aim.

As a responsible supplier of alcoholic drinks, you are legally required to ensure that Host Responsibility is followed at all times while alcohol is being served or consumed.

- 1 Provide and promote substantial food as long as alcohol is being served.
- 2 Provide and promote non-alcoholic and low alcohol beverages
- 3 Offer free non-alcoholic drinks to designated drivers.
- 4 Do not encourage promotions e.g. happy hours, specials, giveaways.
- 5 Have a telephone accessible for your patrons to use to arrange transport options.
- 6 Have a system in place for checking the age of patrons and for refusing service to underage patrons.
- 7 Ensure that staff are trained to watch for and be able to recognise patrons that have had too much to drink and prevent driving under the influence of alcohol.
- 8 Ensure that alcohol is not supplied to intoxicated persons.
- 9 Clean drinking water must be freely available and supplied free of charge.

Licensing Inspectors together with the Police conduct routine inspections of licensed premises and venues where special licences have been granted to ensure compliance with the requirements of the Sale and Supply of Alcohol Act 2012 and licence conditions.

If you are applying for a licence for a special occasion or a special event you will need to supply adequate information for the application to be processed speedily. Application forms, Host Responsibility and Special Licence information sheet guidelines are available from the Council offices or on Council's website.
