Mayor & Councilor's Kaipara District Council

Hokianga Road

Dargaville

Dear People

I am asking for consent to relocate from a Farmers paddock to on the lawn in front of the N.W. Museum what would become an International Tourist draw card to this area

An ancient PHOENICIAN winter solstice stone marker site

This was discovered some time ago and research from experts overseas prove that this is what is there

I await your reply

Noel Hilliam

A handwritten signature in blue ink that reads "Noel Hilliam".
