**Example -
supports
the growth
of
Dargaville**

Dargaville desperately needs residential development to provide for growth and development of the town.
The town needs housing development both to retain young persons and attract mid to upper class persons who will contribute wealth to the town and lift the decile level .
In contrast we can see towns deteriorate if there is not opportunities for growth (eg Kaikohe).
If we have good housing opportunities, population can increase with earning people, the rates take increase and facilities can be improved.
