Dear Darlene,

Application to the Provincial Growth Fund

Thank you for your application for Pou Tu Te Rangi Harding Park Re-Development to the Provincial Growth Fund.

This letter is to advise you that unfortunately your project has been declined for funding from the Provincial Growth Fund. The reasons for that decision are that your project did not sufficiently meet the following Provincial Growth Fund criteria:

- Increased productivity and innovation in food and beverage, forestry or tourism
- Contributes to increasing jobs, training and work readiness, particularly in priority areas

If you have any questions, please contact your regional lead, Grant Berghan at Grant.Berghan@mbie.govt.nz

Yours sincerely,

The PGF team
