

Otamatea Ward Representative Vacancy

The Kaipara District Council invites expressions of interest to fill the Otamatea Ward representative vacancy for the Kaipara Community Health Trust (KCHT).

KCHT's objective is to ensure there are health services available locally for people in our community to access. The KCHT has been highly effective in protecting and enhancing the services available

Kaipara District Council is seeking to appoint a community trustee from residents in the area known as the Otamatea Ward. You will join the other members in quarterly meetings of the Trust and other sub-committee meetings as required. This is an unpaid volunteer position appointed by the mayor, which may be eligible for reimbursement of certain travel expenses.

We are seeking expressions of interest from individuals who embodies the following qualities:

- **Experience:** You may have experience in healthcare, governance, community service, or a related field, making you well-equipped to contribute effectively to KCHT's mission.
- **Community-Minded:** You have a strong connection to the local community, with a deep understanding of their specific healthcare needs and the potential opportunities for improvement.
- **Commitment:** You are committed to dedicating your time and effort to make a positive impact, ensuring that local healthcare services are accessible and responsive to community needs.
