

Notice of intention for targeted spraying

Weather permitting, spraying will be carried out in the Kaipara district during November 2023.

Spraying will concentrate on vegetation control of edges in parks and reserves, weed control in gardens and poles/trees on berms maintained by Downer NZ on behalf of Kaipara District Council. Council operates a “No Spray Register” which outlines agreed areas where no spraying will be undertaken during this period. Spraying will be undertaken by Downer NZ.

To find out more details about the November spray programme, call Bernie on 021802095 between 8am and 5pm Monday to Friday.
